Raw Cold Call Playbook | Seller: Ryan Rozario | Effective November 12, 2026

1. What you are buying

Raw Cold Call Playbook offers digital educational products, including a PDF playbook and related files such as a text file of AI practice prompts. By purchasing or downloading any of them, you agree to these terms.

2. Your license

When you buy, you receive a personal, non-exclusive, non-transferable license to use the files for your own learning and work. The license covers one person.

3. What you may not do

You may not share, copy, resell, upload, publish, distribute or give access to the files, or any part of them, to anyone else, including by posting them online or sending them to friends or colleagues. If you want a copy for a team, message me to arrange it.

4. Ownership

All content, including the text, scripts, structure, design and images, belongs to Ryan Rozario and is protected by copyright. Buying the product does not transfer ownership.

5. No guarantee of results

The playbook is educational. Lines, scripts and techniques are suggestions, and results depend on you, your market and your offer. I do not guarantee any particular sales, income or outcome.

6. Your responsibilities

You are responsible for following the laws and rules that apply to your calls and messages, including do-not-call rules, call-recording consent, and data protection. If you use AI tools with the practice prompts, do not enter confidential information, your employer's recordings, or personal data about customers.

7. Strong language

The commentary in the playbook contains strong language. The lines intended to be said to prospects are written to be clean, but you should adapt them to your own judgment and context.

8. Limits of liability

To the extent the law allows, I am not liable for any indirect or consequential loss arising from your use of the product, and my total liability for any claim is limited to the amount you paid for it.

9. Refunds

Refunds are covered by the Return and Refund Policy.

10. Changes

I may update these terms or the product from time to time. The terms that apply to you are those shown at the time of your purchase.
